

Andrea Dall'Olio
IFC Tajikistan, BEE - SME Policy Project

Andrea manages the IFC Tajikistan Business Enabling Environment Project, focused on reducing administrative barriers to small and medium enterprises. The project is currently implementing a new inspection law to improve the outcomes of inspections and at the same time reduce the burden to businesses. In addition to the policy work, the project conducts regular surveys of the business environment and collaborates with the World Bank initiatives on Private Sector Development in Tajikistan. Before joining IFC, Andrea worked for six years as Management Consultant with McKinsey & Co. in Milan where he focused on Financial Institutions. He has a Ph.D. in Economics from Brown University in the USA and a B.A. in Economics from Bocconi University in Italy.
